

Section 01452

INSPECTION SERVICES

PART 1 GENERAL

1.01 SUMMARY

This Section includes inspection services and references.

1.02 – 1.06 NOT USED

1.07 SYSTEM DESCRIPTION

A. Inspection

1. Project Manager will appoint Project Representative as representative of the Owner to perform inspections, tests, and other services specified in individual specification Sections.
2. Alternately, Project Manager may appoint, employ, and pay independent firm to provide additional inspection or construction management services.
3. Reports will be submitted to Project Manager, indicating observations and results of tests and indicating compliance or non-compliance with Contract.
4. Assist and cooperate with the selected independent firm or Project Representative; furnish samples of materials, design mix, equipment, tools, and storage.
5. Notify Project Manager 24 hours prior to expected time for operations requiring services.
6. Sign and acknowledge report for Project Representative.
